On May 24, 2016, the United States filed a report advising this court of the status of this case. In its report, the government erroneously stated that the CD containing the government's financial analysis, as set forth in numerous charts, was forwarded to each of the defense lawyers on May 1, 2016. That CD with a cover letter was actually mailed to each defense lawyer on April 1, 2016, not May 1, 2016. In preparing the status report yesterday, I looked at a cover letter that I had apparently accessed

1 and printed on May 1, 2016. In the process of accessing that letter on May 1, 2016, the “April 1, 2016”  
2 date on the letter was automatically changed to “May 1, 2016” by a computer default feature.

Respectfully submitted,
